CHP+/Delta Dental Benefits

The plan maximum is \$1,000.00 for the calendar year, January 1st to December 31st of the current year.

There are 3 tiers of benefits

\$0.00 co-pay

\$5.00 co-pay

\$10.00 co-pay

The plan pays as follows:

- Exams - 2 times in a year (this will include limited and evaluation exams)
- Prophylaxis (cleanings)- 2 times in a year
- Bitewings x-rays- One time in a year (the plan will change the code to the full mouth series if there is a needed pano taken at the same time as the Bitewing x-rays)
- Fluoride- 2 times in a year (this includes fluoride varnish)
- Sealants - Only covered for permanent first and second molars
- **Analgesia (N2O) - Not a covered benefit**
- Fillings- Always downgraded to the amalgam fee. Therefore, if you choose a composite (white) filling, the price difference between amalgam (silver) and composite will be an out of pocket expense.

The \$1,000.00 maximum includes preventative services rendered, and any remaining benefits will be applied to any needed restorative treatment. At your request, a predetermination for any restorative treatment needed can be given to you to submit. This will allow you to receive an estimate of your out of pocket expense at the time of service.

The Department has launched the new *PEAKHealth* mobile app that gives Medicaid and CHP+ members a simple way to keep information up-to-date, access to important health information, search for a provider, view medical cards, update income and contact information, view benefit information, make payment, and access health and wellness resources. Members can access their PEAK Account at any time at Colorado.gov/PEAK.
